

To Whom it May Concern

I am writing this letter for a reference of Kristi Scott.

My husband and I have known Kristi for year now both on a personal and professional level. Kristi has been watching our youngest son on a daily basis and our oldest son during the summer on school breaks. She has a compassionate, caring and structured environment in her home. She is willing to help carry through with any consistency we ask of her going from our home to her home. She communicates very effectively regarding any questions or concerns she may have regarding our boys. Kristi cares for our boys as if they are her own. One of the many things I love is she takes pictures of them during their outings and play time. This gives me an opportunity to see what they are doing when I can't be there. My boys always look happy. My youngest looks forward to going to Kristi's; and talks about Kristi positively when he is with us at home. I feel this speak for itself. I would highly recommend Kristi to anyone who is looking for outstanding care for their child/children.

Sincerely,
